

The infrastructure of your business requires protection and maintenance...

SENTINEL is ready.

SENTINEL provides your business with the most comprehensive IT Support and Service Solution on the Central Coast.

Not only does it cover every aspect of our unmatched IT Solution under a fixed monthly cost, it also includes the following features:

- **Scheduled On-Site Visits**
Regularly scheduled visits from a professional technician.
- **Service Ticket System**
Need help? Submit a ticket request immediately via the web.
- **Basic Network Monitoring**
Server monitoring and alerts
- **Expert Remote Assistance**
Remote management of your computers and network.

SENTINEL IS...

- One Fixed Monthly Cost for IT Expenses
- Expert Guidance and Consulting
- Solid Network Protection
- Proven Reliability

“ ITECH Solutions has kept our network rock-solid and trouble free for years. It's rare when we have a problem, but when we do, it's taken care of quickly and efficiently... **”**
